

2013 MID-AMERICA SAND DRAG SERIES PRESENTED BY NSDN & TROWER RACING

RACE 2 RECAP

The 2013 Mid-America Sand Drag Series continued on as Race 2 of the season took place as the B.A.D. Nationals at Thunder Valley Sand Drags in Grain Valley, MO. The Top Alcohol class continued to be led by Oklahoma's Rod Trower as he not only scored the race win, but also a new track record at Thunder Valley with a 2.455 ET. Along the same line of domination, Terry Glasscock also continued a sweep of the season as he took his second Top Eliminator class win of the season with his Turbocharged Pinto-powered Dragster. Oklahoma's Tim Feuerhlem may have come up a round short as he fell in the Pro 1 Cars final round, but he did move into the class points lead by just one point as the season hits the halfway point. Danny Travis picked up the point series lead in the Pro ATV category with the Kimbley Racing husband-wife team of Randy & Stephanie Kimbley right behind him. The MASD series now goes into a Summer break with the next race being September 20-21 back at Thunder Valley Sand Drags in Grain Valley, MO.
