

DOME VALLEY RACEWAY NEWSLETTER

Dome Valley Raceway is looking forward to the upcoming 2nd Annual October Showdown on September 30-October 1. This race will be the fourth race in the 2011 NSRA point series. To comply with the NSRA point series, there will be two Sportsman Car & Bike classes at this event. Other than this minor change, we will be running the normal Dome Valley Raceway class structure. This event will run on somewhat of a flexible schedule due to the weather. As you may know, there is the possibility of very hot conditions during day light hours. For the safety of racers and crew, we will take a few hours off during the afternoon & push start times back into the evening, if necessary. We would like to thank all for their support of Dome Valley Raceway.

Dome Valley Raceway would like to announce our 2012 race dates. The 3rd Annual AZ vs. CA Top Fuel Shootout will take place on February 3-5, 2012. This will also be the Season Opener for the 2012 NSRA point series. The next date for DVRW in 2012 will be March 3-4. The February race will be a three day National event while the March race will be the standard two day Dome Valley Raceway format.

Over the past few months, significant upgrades have taken place at Dome Valley Raceway. In May, Dennis Rieck gave Dome Valley Raceway his set of scoreboards to use (previously used by NSDA). To use these scoreboards at DVRW, the Portatree timing system had to be upgraded. With the help of local & out of town racers, enough money in donations was collected to make all of the purchases necessary to make the upgrade. The updates now allow for the system to run through a PC & use Portatree Race Management software to manage the event. This also allows for the use of Autostart, which most racers are used to. A weather station has also been added, and in the near future up to date weather will be printed on each time slip. We want to thank all of those involved who donated either money or time & effort to make these improvements happen for Dome Valley Raceway; Quality Aircraft Care/Hammer Down Racing (Dennis Rieck), Diesel Automotive Service (Carlos Espinoza), Heavy Metal/2 Dolla' Bill Racing/Morris Family Racing (Rick & Billy Morris), AAA Machine Shop/Murphy's Law Racing (Ralph Adamson), Swag Racing/AutoDoc (Mike Erwin), Ness Racing (Henry Ness), The AZ Top Fuel Group, WSM Auctioneers/Cadzow Motorsports (John Cadzow), Westside Drywall/Coldwater Kid Racing (Dwight & Matthew Ludlow), JWJ Construction (Jeff Janoe), National Sand Drag News (Tom Bray), Carroll Racing/Northern Arizona Diesel Repair (Scott Carroll), Cronin Racing/Sand Times/NSRA (Dan Cronin), Valley Rancher Machine Shop (Ron Beck), Poison Ivy Racing (Don Diffenbaugh Sr.), Diffenbaugh Construction (Don Diffenbaugh Jr.), and Ahern Rentals.

For any questions or information on upcoming events at Dome Valley Raceway, contact Ernesto at 928-503-9675 or Mike at 928-941-0335.
